The SERVICEMAN'S CORNER:-

Hi, fellas. THERE'S A COUPLA DAD-BURNED CIVILIANS IN TOWN! Name of John Clancy, (ex-Navy); and Howard Green (ex-Marine). Clancy is back with the Postoffice, and it's as if he was never away. Howard is looking mighty sharp in civvies---and he has grown taller and thinner. Still the same nice guy he was when he used to run the mimeo machine for yo olde Byline!

Got a nice chatty letter from old friend Jimmy Wright, over there in Korea--but he says "no printee"--so no printee! Also gotta letter from Lt. Roy A. Lorentz, now stationed at Shaw Airforce Base in Sumter, South Carolina. He's the guy who has decided to make Brisbane his home town when this here now hassel is over with. Seems his own home town forgot their own boys in Service, specially at Christmas time. That's not kosher, in MY language!

Oh yes, and we got a nice letter from young Chuck MacCary, who is now aboard the U.S.S. GEARING---out of New York. Pretty far from home, there--aren't you, Chuck? (Y'know--Chuck always writes to MR. Reece--guess he's scairt of lady editors, huh?) Anyhoo--here's his letter, in part:

Feb. 13:'52

Hello, Mr. Reece:

How are you and the family? Fine, I hope. I would like to thank you very much for sending the Byline. I'm sorry I haven't written more often, but have been busy all the time. I have been getting the Byline now ever since I asked you to send it to me. I am now over in the Mediterranean Sea, and have been since Jan. 3rd--and will be here until the end of May or middle of June. Will have to close now, as I have a "watch" in a few moments. Your friend,

Charles MacCary
USS GEARING DD710---c/o F.P.O.
New York, N.Y.

* * * * * * * * * * * * * * * * *

Seaman Renee Jennett left here on Feb. 18th for San Diego, where he will be stationed about a month, and then he will sail overseas aboard the USS MT. MARION. Renee was home on leave for quite a spell. (We hear that Seamen Fred Swanson and Fred Johnson, pals of Renee's, had themselves quite a time while here on leave, over Washington's birthday. And we also hear that poor Renee had the experience of being passed up on the highway by his own folks--when he was hitchhiking home from the Airport!)

The Navy's Roy Childress had a recent tensilectomy, we hear. Hope you're all right now, Roy. And we understand that Roy's pal, Don Robertson, will be home on leave soon.

Don Apple, USMC, isback with his family in Vallejo. He has been discharged from the service after a few years overseas.

Mrs. Frank Kaherl, of the Brisbane Auto Court, had a difficult decision to make over the weekend of Feb. 23rd and 24th. Seems that she was on her way down to see her younger son CPL Johnny Coryell, USMC, who has undergone an operation, when she received word that her elder son, Carl Coryell, also a Marine, accompanied by his family, all of Bremerton, Washington had arrived in Brisbane for a visit with "Mom". Mrs. Kaherl went on down to San Diego for a quick look at son Johnny, and back to Brisbane on Sunday, for her visit with son Carl. The latter left Brisbane on Friday, Feb. 29th, to return north--so Mrs. Kaherl is now down in San Diego again, with recuperating Johnny!

We also hear that the Army's Clyde and Richard Wakelee are now to be known as "Unkie" Clyde and Richie! Seems that sister Sally Vandever has a brand-new baby son! (Why, Gramma Wakelee, what big eyes you got!)

And going back into Service this past week was Jay Robbins, of 129 Alvarado Street. Jay will be stationed at Sacramento with the Army Airforce. He has driven for Greyhound Bus Lines for the past five years, expopt for a few years in service during World War II.

Jay's wife "Totsie" and small daughter Susie will busy themselves somehow while waiting for Jay to come home. We'll all miss seeing his smiling face around these parts for awhile!

Well, gang--that much news should hold you for awhile. Guess we'll hang up the phone and get back to work now!

Whoops!--something now has just come in--Rick Hatch's new address! Here 'tis: SGT. RICHARD HATCH--AF19364129--3918th OPER. SQDN.---3918th A.B.C. c/o POSTMASTER, NEW YORK, N.Y. There, how's that for quick service???

As ever, YE EDITOR.

FREE CIVIL DEFENSE MOVIES SHOWN:

The three free Civil Defense Movies announced in former issues of the BYLINE were shown to a very sparse crowd at the local school auditorium on Tuesday evening, February 26th. Present to answer questions about civil defense was San Mateo County's Civil Defense Director Bolridge, accompanied by Mrs. Bolridge. The three movies were taken later in the evening to be shown to the congregation assembled at the Bethel-Baptist Church, and were shown the following week to the schoolchildren at the Brisbane Elementary School. These movies are interesting and timely, and should be viewed by everyone. The next time they are scheduled to be shown, PLEASE attend, for your own safety and knowledge!

Don Dolbon, son of Mr. and Mrs. W. A. Dolbon of 392 Klamath Street, and a student of Jefferson Union High School, has been named in the All-P.A.L. Quintets Varsity Second Team, for his basketball prowess in recent past games as a Jeff Hi Hoop star. Don has received quite a lot of newspaper space for his point ratings during this past basketball season. Brisbane can be very proud of Don, as he is the first Jeff Hi hoopster to make the All-P.A.L. since Jack Dodorman made the Varsity All-P.A.L. in 1948.

HUNTZ HALL HERE IN PERSON LAST WEEK:

The very obvious minority of Brisbane's citizens who took the opportunity to meet Huntz Hall in person last week were pleasantly surprised to find him a likeable and intelligent young man. Huntz, or better known as "Satch" of the Bowery Boys pictures with Leo Gorcey--talked to your editor and husband in the living room of the Hutsell apartment over the Brisbane theater for over an hour, and we found him a warm and interesting human being--definitely hurt and disappointed over the lack of enthusiasm shown by local residents. It's pretty tough to drive over 400 miles, and then have to make with the funny jokes to an empty house! We think SOMEONE should apologize and we cant help wondering what is being said about Brisbane down in Hollywood right now!

REPORT FROM BRISBANE P.T.A.:

The Brisbane Parent-Teachers Association celebrated Founder's Night at it's meeting last Thursday evening, February 28th,1952--at the Brisbane Elementary School auditorium. The meeting got under way with the Salute to the Flag led by Scouts of Brisbane's Troop #124. This meeting marked the 20th anniversary of the local P.T.A.

Reading of the minutes of the previous meeting was ably done by Mrs. Ira Romriello. Mrs. Richard Wright gave the treasurer's report, and a report on the recent rag drive was given by Mrs. D. Jorgenson.

Brisbane P.T.A. president, Mrs. Roy Edwards, urged everyone to go to the polls and vote at the school trustee election. (Election to be held on May 16th of this year---closing date for registration in order to vote on this election is March 23rd.)

Superintendent of Schools, Natalie Lipman, read a letter from the Director of Administration--giving the Brisbane school an A rating in it's cafeteria---credit for this going to Mrs. Babkirk, who is in charge of the cafeteria.

A Life Membership Award was given to Mr. T. Bhend, for her outstanding contributions in the field of local child-welfare, during her years in Brisbane. Past-president Daisy Todd awarded the pin to Mrs. Bhend.

"A Day in the Life of School Supervisors"--a skit---was presented, in the cast of which were Mrs. Milton Jonsen, Mrs. B. Burgess, Bob Parks, Mrs. F. Holmberg, and Mrs. Wooden. Mood Music was played by Mrs. Lou Duncan and Mrs. B. Evans.

The tables and decorations were resplendent in blue and yellow--with chests and keys of gold depicting the motto of the P.T.A. for this year---"The Key to America's Future--Our Children." Mrs. William Wipprecht, Founders Night chairman, was responsible for the lovely decorations and the smoothly run meeting. Nice job--Gloria!

Refreshments were served during the course of the meeting.

* * * * * * * * * * * *

On March 13th,1952, there will be a meeting at the Brisbane Elementary School auditorium--in regards to the "Rat Situation" in Brisbane--(four-legged variety, that is!)---the speaker will be Mr. Lingoman, Sanitarian of San Mateo County's Health Department---he will speak on the remedy for this situation, which is a problem concerning every resident of Brisbane. All local organizations, including the Brisbane P.T.A. are working together to rid Brisbane of the unwanted rats. The meeting will be held at 8:00 P.M.

* *

DON'T FORGET---CLOSING DATE FOR REGISTERING TO VOTE IN SCHOOL ELECTION IS MARCH 23rd. SEE REGISTRAR BYLINE OR CHESTAIN.

BOCCI SPONSORS RED CROSS DRIVE:

Judge Thomas Bocci recently urged North County residents to make every effort this month to give at least "a penny a day" towards the $135,000 San Mateo County Red Cross Fund goal.

As past general chairman for the Daly City area, and assistant chairman this year in the Broadmoor-Colma district, Judge Bocci is in a good position to realize the importance of the Red Cross to local residents.

"A donation to the Red Cross is the wisest investment anyone can make", Judge Bocci has said, "No organization is such a part of American life--such a comfort to millions!"

* *

COMM. CHEST BD OF DIRECTORS MEETING:

President Glen O. Smallcomb of the Community Chest of San Mateo County announced recently that the first official meeting of the new Board of Directors will be held next Monday evening, March 10th, at 8:00 P.M., in the Community Chest headquarters, 1117 South B Street, San Mateo. Action will be taken on previous proposals to amend the Chest By-Laws as follows: that the official Board will consist of 36 members instead of 30, and 3 vice-presidents instead of one. Also, because of the increased activities of the Chest, the Board will meet eight times a year instead of four.

Nominations to add the new Board members and the two new vice-presidents have already been made, and will be voted upon next Monday evening. Smallcomb said other matters to be discussed are committee appointments for the coming year.

* *

REPORT FROM DEMOCRATIC CENTRAL COMMITTEE:

Taggart, Junior College Dean of Mmn. of San Mateo, as U.S. Congressman, 9th Dist.;--and Arnold C. Johnson, business manager, of San Mateo, as State Assemblyman of the 26th District.

WELL-KNOWN MATRON PASSES AWAY:

It is with sincere regret that the Byline must report the death of one of Brisbane's oldest and long-time residents.

Mrs. Mabel Alsing, who has resided at 243 Visitacion Avenue, directly across the street from the Brisbane Postoffice, for many years--passed away on Wednesday, February 27th, 1952--in the garden of her home. Mr. Alsing discovered her there when he returned home at the end of his day's work. Funeral rites were conducted at 10:00 A.M. Saturday, March 1st, 1952, at the W.A. Cook and Company Chapel in South San Francisco. Cremation followed at Cypress Lawn Memorial Park.

Surviving Mrs. Alsing are her husband, Richard Alsing; two brothers, Roy and Earl Morris, both of Brisbane; and three sons, William, Robert, and Harold Debenham, all of Nebraska.

The Alsings were the very first home delivery subscribers the Byline ever had. We will miss seeing Mrs. Alsing in her lovely garden--a vision we had grown quite used to in the past.

WHY BUY FROM AN AGENT???

"I buy my insurance from an agent or broker for the same reason that I buy my honey from a grocer rather than from a bee. While I might save money by dealing directly with the bee--there's a good possibility that my lack of training, knowledge, and experience would result in my getting stung! Why should I gamble on my own trial and error method, when I can secure the services of a man who has devoted years to the study and application of all the different coverages required by all the different people for their different needs?

"My broker surveys my home and business life, shows me where the risks are, and explains how I can best protect myself. He has a vast market from which to obtain whatever types of insurance I need. He has the benefits offered by various agents and brokers associations which provide him with educational programs, timely information in regard to changes in coverage and procedure, and explanation of state and federal laws that apply to insurance.
